

European Coordination Committee of the Radiological, Electromedical and Healthcare IT Industry

THE PROMISE OF DATA IN HEALTHCARE, November 2nd, 2021

Case study cardiovascular health: Data analysis and cardiovascular health

Dr. Jennifer Franke

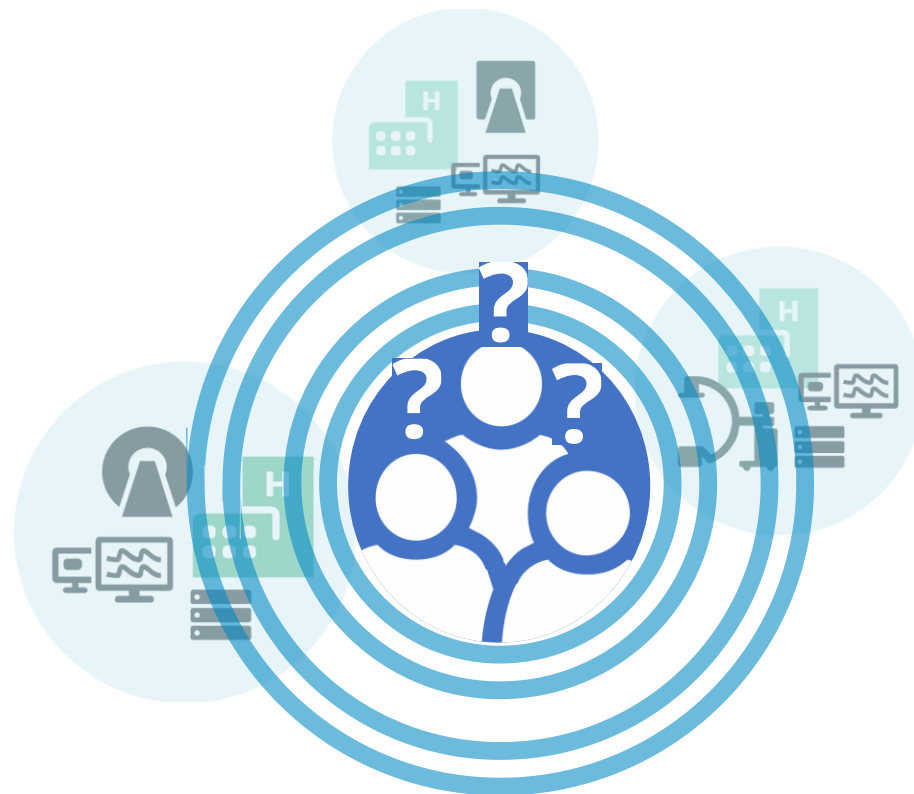

COCIR member & Medical Officer Cardiology, Philips

Challenges and opportunities in CV care

Communication
across points
of care in
the community

Secure access to routine
data for clinical
decisions
and research

Prevention and early
detection

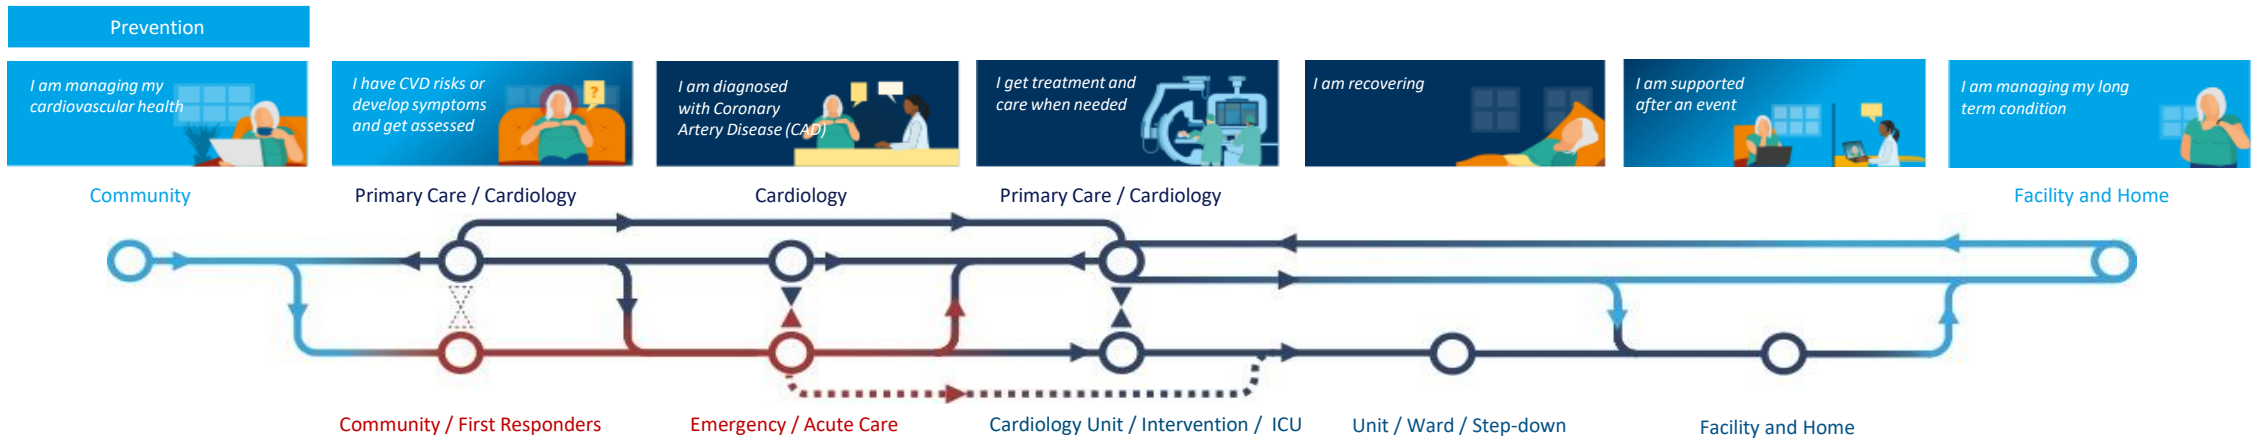

Attract, train and retain
HCP

Cardiovascular care pathway

Connected planned and acute care

Early detection and diagnostics

Minimally invasive interventions

Telehealth & support at home

Clinical & Hospital Operations Support

Cardiology Informatics

Radiation Dose Management

Cath Lab Information Management System

Telemetry

Early Warning Score

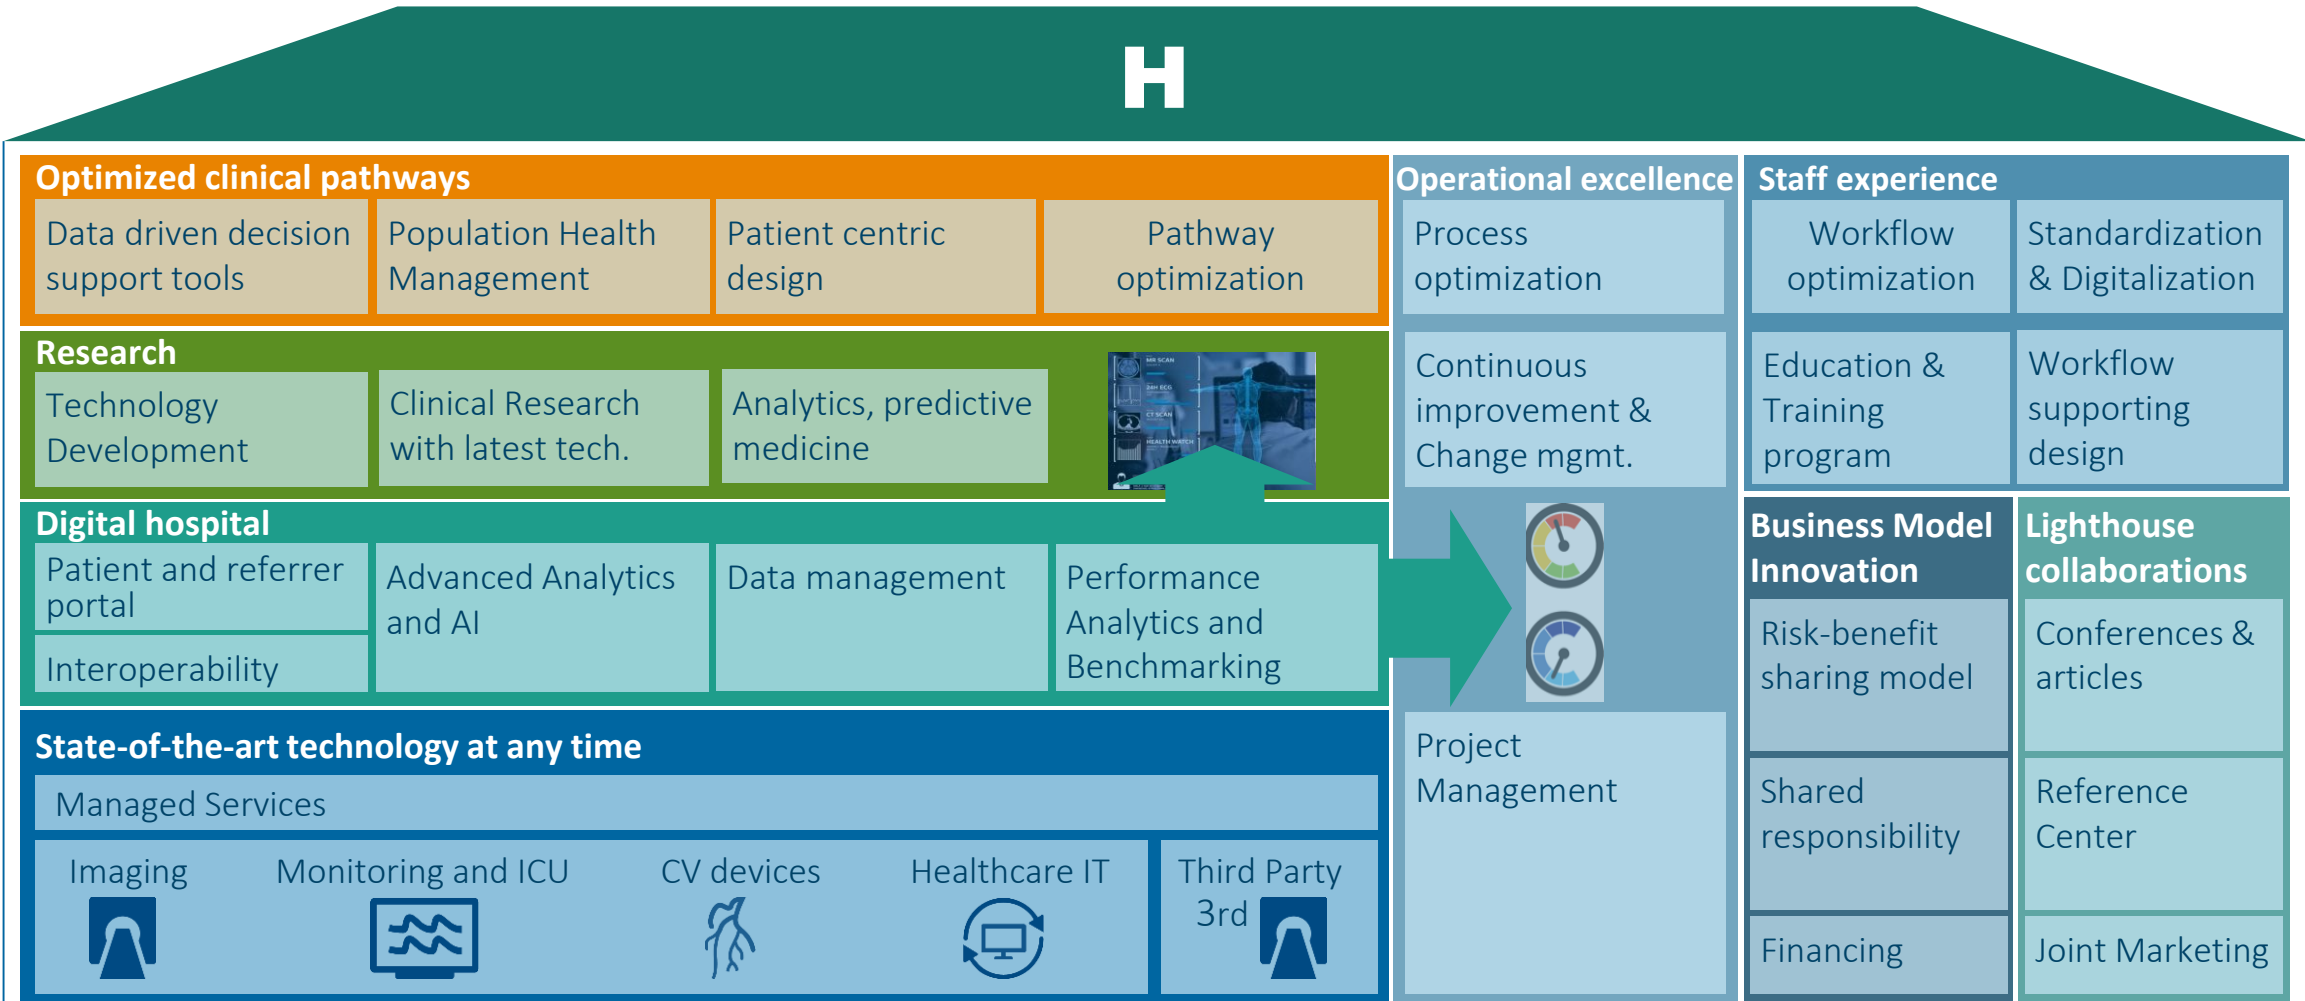

Operations Center
Patient Flow Capacity Suite

HealthSuite System of Engagement: securing hosting and data platform

Personalized, efficient and clinically-smart cardiac care

H

A word cloud centered around the phrase "thank you" in various languages and colors. The words are arranged in a circular pattern around the central text. The colors include blue, red, green, purple, yellow, and orange. The languages represented include English, Spanish, French, German, Italian, Japanese, Korean, Chinese, Hindi, and several African and European languages.

thank you
